Wed, 29 Nov 2017 06:33:00 GMT - Gene Wilder reaches the ripe age of eighty today, but you won't have him back in a spotlight anytime soon. To celebrate the beloved performer's birthday while navigating around a (justified) remove from greater public attention notwithstanding his current efforts as a novelist we've dug up the TCM special Gene Wilder: Role Model, a one-hour 2008 interview conducted by none other than Alec Baldwin.
