Wed, 16 May 2018 15:10:00 GMT - To support this expansion, in 2015 Ball released a metric edition of the Ball Blue Book. Metric edition of the 37 edition of the Ball Blue Book The metric edition provides actual proper metric measurements (measurements for dry items by weight, e.g. 175 g chopped onion), rather than faux metric (measurements for dry items in ml, e.g 250 ml chopped onion.) People outside North America rarely use volume measurements for solids.

Tue, 15 May 2018 04:05:00 GMT - Picked up 1947, 1963 & 1974 Ball Blue books on home canning at a used book store in nice shape to go along with my current copy. Original price was-1947 \$0.10, 1963 \$0.35 and 1974 \$1.00. I don't know how much difference there will be but it may be nice to have a vintage perspective on canning. With a few notes neatly added on note cards.

Wed, 09 May 2018 02:32:00 GMT - Red wine, rosemary, and figs meld into this jam reminiscent of the South of

France. Serve with a big blue cheese, which stands up in flavor. Since the wine really stands out, use a good-quality Merlot or Pinot Noir with this jam. Recipe excerpted from The All New Ball Book of Canning and Preserving, published by Oxmoor House (2016).
