Fri, 25 May 2018 00:40:00 GMT - This is a list of spacecraft found in the Culture novels and short stories by Iain M. Banks. Most ships in this list are members of The Culture, the hybrid society featured in many of these novels. In this setting, each Culture ship, and some others, is also an artificial intelligence with a distinctive personality. Many of these ships are significant characters in the novels.

Tue, 22 May 2018 17:26:00 GMT - The Waste Land, T. S. Eliot's masterpiece, is a long, complex poem about the psychological and cultural crisis that came with the loss of moral and cultural identity after World War I. When it was first published, the poem was considered radically experimental. Eliot dispenses with traditional verse forms and instead juxtaposes sordid images of popular culture with erudite allusions to ...
