Wed, 16 May 2018 11:49:00 GMT - 1. Introduction. This paper provides an overview of the research on management accounting and control which has used a contingent perspective. It starts from my 1980 review of the topic (Otley, 1980) and seeks to bring this up to the present day. 1 However, there are a number of features that require clarification to define the scope of this ...
