Sun, 20 May 2018 12:35:00 GMT - The schism between the Western and Eastern Mediterranean Christians resulted from a variety of political, cultural and theological factors which transpired over centuries. Historians regard the mutual excommunications of 1054 as the terminal event. It is difficult to agree on an exact date for the event where the start of the schism was apparent. It may have started as early as the ...
