Mon, 14 May 2018 23:33:00 GMT - This is a list of automobile engines developed and sold by the Suzuki Motor Corporation. Suzuki is unusual in never having made a pushrod automobile engine, and in having depended on two-strokes for longer than most. Their first four-stroke engine was the SOHC F8A, which appeared in 1977. Suzuki continued to offer a two-stroke engine in an automotive application for a considerably longer time ...

Tue, 15 May 2018 14:21:00 GMT - In the latest Caravan and outdoor life magazine (page 77) there is a comment from Suzuki about the towing of a Jimny behind a motorhome, which they say is a no no, as they do not recommend towing the Jimny at all and if done, could lead to the voiding of the warranty. Looks like something to do with the locking/unlocking of the front air locking hubs.
