Sun, 20 May 2018 22:15:00 GMT - Engineering economics notes ME 483, L. S. Caretto, Spring 2010 Page 2 rate are the same as the time units for the period. If the period is one month, then the units for the interest rate must be 1/month. The calculation of the interest rate for a different time unit is simply done by using the unit conversion factor for the time units.
