Sat, 19 May 2018 13:40:00 GMT - EZ Go golf carts have a serial number and a manufacturer's number. The year of the golf cart is found in the manufacturer's number. For golf carts 1994 to present look for a plate in the passenger side glove compartment. The manufacturer number will have one letter and three or four numbers. The last two numbers reflect the year the golf cart was made.

- There are different kinds of golf car manuals - one for owners, one for parts and another for repairs. If you bought your cart used, you probably did not get an owner's handbook. They can often be found on line or for free from the

manufacturers website as a PDF file.
