Food Quality and Preference - behaviorlab.org -

Sun, 10 Jun 2018 19:05:00 GMT - The question of whether it is right to eat non-human animals (henceforth "animals") is among the most prominent topics in food ethics. The most commonly given moral objection to meat-eating is that, for most people living in the developed world, it is not necessary for survival or health; some argue that slaughtering animals solely because ...
