Sat, 19 May 2018 02:13:00 GMT - Let's explore the ART of Letting Go Because the nature of clutter is heavy and dense, I wanted to simplify the process into three meaningful steps. I want you to hear that there are three stages we go through over and over again. Acknowledging that these three steps are the natural way will make the letting go easier. We will use the word ART to guide you through: Acceptance Release Trust ...

Sat, 19 May 2018 04:22:00 GMT - For example, in terms of the body, you let go every time your exhale or use the bathroom. Fundamentally, letting go is the opposite of the clinging that leads to suffering. And thus very in line with mindfulness and meditation. A Word about Experiential Exercises This article will have some experiential exercises. As we've said before, when we do any experiential activities, feel free to opt ...

Mon, 21 May 2018 02:39:00 GMT - Let Go! 4 Osho. CHAPTER 1. It happens only because ordinarily our energy is in segments, in fragments, and the fragments are not joined together. The energy jumps from one fragment into another to join it; then you feel the jerk. It will jump from part to part. The whole spine is divided into seven parts so there are seven points at where it takes the jumps. It can drive one almost crazy when ...

- Learn to let go by relaxing your fight against the feelings and thoughts. These same physics apply in the mind. Because we are trying to force the thoughts away, the more we hold on to them to be able to apply the force of forcing it to go. The harder we try to force it, the more we are tensing and crushing the mind. The mind however responds as though it is being attacked.
