Fri, 08 Jun 2018 18:53:00 GMT - senior "followers"™ if you will, need to assume responsibility for keeping their relationship with the leader honest, authentic and courageous. "Yes men"™ need not apply. There are two distinct roles that executives and managers are called upon to play. One is the role of leader in their own right. The other is the role of courageous follower.

Courageous Followers, Courageous Leaders -

Sun, 20 May 2018 14:08:00 GMT - In the following pages, I lay out a model for understanding how the leader's™ style (operationalized as transformational or transactional leadership) influences follower behavior when moderated by follower self-concepts and follower perception of the leader's™ behavior and mediated by follower self-determination.
