This special edition completed with other document such as :

the golden ratio the pdf -

Thu, 21 Apr 2016 23:53:00 GMT - The Golden Ratio is a book about one numberâ€”a very special number. You will encounter this number, 1.61803 , in lectures on art history, and it appears in lists of "favorite numbers" compiled by mathemati-cians. Equally striking is the fact that this number has been the subject of numerous experiments in psychology.
